Report:

Standard XII is a turning point in the life of students. There are many career opportunities awaiting for them, and they need to choose from the ocean of opportunities. This may often confuse the students much because they are not completely aware of all carrer options available to them. With this in mind, the Department of Psychology organized a session on 'Career Opportunities in Psychology for Students of XII Arts' on Saturday, 9th September 2023 at 12.30 pm in Room No. 44. Ms. Rina Patel, the Head of Psychology Department of our College conducted the session and informed students about the various feilds and career opportunities in the subject of Psychology. Students were also told about which papers and specialization our college offers them in the Degree College. They were also told about various activities that the Department conducts for creating awareness and for enhancing Mental health. 50 students attended this session. The session ended with the speaker addressing various questions and concerns of the students. Students gave a positive feedback about the session.
