2. **Event Date:** 21<sup>st</sup> March, 2023
1. **Event Venue:** Room No- 14
1. **Event Detail:** A guest lecture on Emotional Intelligence at the workplace was organized for the students of TYBCOM. The official In-house Counsellor of our college Ms Keyuri Bhojani addressed the students on this very relevant topic. Around 21 students attended this session. The event turned into an exceptionally informative guest lecture wherein the speaker addressed the students on various aspects of Emotional Intelligence such as self awareness, self management, relationship management, social awareness and empathy. She conducted the questionnaire on Aspects of Emotional Intelligence to understand their level of Emotional Intelligence and how they can channelize the emotions. She also highlighted the importance of EQ and how EQ is the new IQ. She explained to the students how to work on their habits to improve EQ. It was a very engaging and interactive lecture where the students were delighted by the session. The session ended with Questions & Answers, and a formal vote of thanks.
