1. **Event Title:** Workshop on E-filing of ITR
2. **Event Date:** July 19, 2023
3. **Event Venue:** Computer Lab
4. **Event Detail:** The "Workshop on E-filing of ITR" held on July 19, 2023, in the college computer lab, organized by the Commerce Association under the aegis of IQAC, was a highly informative and engaging event with the participation of faculty members. CA. Deepali Mehta and Harshad Janjarkiya conducted the lecture, the workshop successfully achieved its goal with more than 21 faculty members attending this session on filing Income Tax Returns and highlighting the benefits of e-filing. The agenda included a step-by-step guide, practical demonstrations, and an interactive Q&A session. Despite the challenge of a limited time frame, the event provided participants with valuable insights into ITR filing, leaving them more informed and confident about their tax responsibilities. Recommendations for future events include extending the duration, offering follow-up sessions, and diversifying the pool of expert speakers. This workshop significantly enhanced faculty members' financial literacy and tax awareness, marking a positive step toward that mission's realization. Gratitude is extended to the guest lecturers and the dedicated organizing team for their invaluable contributions, and the anticipation of more impactful events in the future remains high.
