

Street Play on Drug De-addiction in collaboration with the Rotary Club
organized by Counselling Center & Dept of Psychology in collaboration with N.S.S.

Date: 7th November 2023

Time- 11.00am onwards

Venue: Bhavan's College Andheri Campus, Sardar Patel Institute of Technology Building Lobby.

Student participants- 12

Beneficiaries – More than 200

Objectives- 1. To engage in Community based Mental health awareness activity.

2. To create awareness about the concern of drug addiction, its impact on today's youth and how to deal with it effectively.

Report-

The Rotary Club of Sardar Patel Institute of Technology (SPIT) under the Rotary Club of Mumbai, Juhu had approached the College Counselling Center Coordinator to associate with them to perform a Street Play on Drug De-addiction on the occasion of the De addiction Week. Accordingly, a few students from the Department of Psychology along with a few N.S.S. Volunteers planned a street play on Drug De addiction. The street play was performed twice, once in the Campus of Bhavan's College Andheri and second time in the Lobby of Sardar Patel Institute of Technology on Tuesday, 7th November 2023 at 1.00 pm.. More than 200 students saw this street play. It gave a very message on the causes, concerns, impact and treatment for drug addictions.

The members of Rotary Club appreciated the students by giving an Appreciation letter to the Principal and certificates to all participants. It was indeed an impressive and effective effort and contribution to mental health awareness in the Community.

Outcome- Drug De addiction awareness was created among the other college students.

Students got an opportunity to engage in mental health day related activities in the society.

Ms. Rina Patel

Coordinator Counselling Centre & HOD Psychology
